

Public Announcement
Regarding
Raven Petroleum

It is my recommendation that if you are planning to seek employment or want to become a vendor with Raven Petroleum, who will be operating as the South Texas Energy Complex in Duval County, that you REGISTER on their web site;

Ravenpetro.com

(There is an employment opportunities tab and a tab for companies to register as well.)

Additionally the TRI-County Consortium made up of Jim Hogg, Webb, Duval county representatives, along with Texas Workforce Solutions, Laredo Community College, Texas A&M International, and the Laredo Industrial Foundation, will be scheduling workshop sessions for local businesses and job fairs in all three counties as well. These activities will come very soon but it would be to your advantage to register on their web site now!

“Let’s Cease the Moment”

Sincerely

Humberto Gonzalez
County Judge
